

Mr. Worthley's class procedures and expectations

Class Rules:

1. Be Respectful
2. Be Prepared
3. Be Engaged
4. Always Do Your Personal Best

Class Procedures:

Before coming to class, please make sure that you have all necessary materials and are in proper dress code. For all classes, that means you need your notebook, planner, docket, and writing utensils (notice the plural). For AP Human Geography, please have your textbooks, as well.

Please take your assigned seat and begin working on the starter that is on the screen by the time the bell rings. Please date each starter so that you may receive credit for them.

I keep my classroom cool, so be prepared with a sweater or sweatshirt that is dress code approved. You will not be allowed to wear outerwear or other clothing that is not in line with ELA's dress code (and no, I won't turn up the thermostat, as it is not possible to make everyone happy).

In accordance with ELA's policy, food is not to be consumed in the classroom. Additionally, water is the only beverage allowed to be consumed in this classroom. Spills happen, but water dries without leaving a mess, so please only bring water.

As classes have been made shorter this year, there will be no whole class breaks. If you need to leave the classroom, please make sure you have permission. Only one student will be permitted to leave the class at a time, so make sure that the hall pass is present if you need to leave.

Homework is due the next class period, unless a different date is given. Please turn in your work, to the appropriate tray for your class period, when you enter the classroom. On all assignments, please put your first and last name, class period, and the date the assignment is due. Late work will be accepted up to two weeks after the due date, however no late work will be accepted during the last week of the term, unless there are extenuating circumstances (sports and just being busy are not extenuating circumstances).

The mastery based grading scale is: A= 88-100

B= 75-87.9

C= 59-74.9

D= 38-58.9

F= 0-37.9

In this class, your grade will be based on: Evaluations 70%
Homework 20%
Starters 10%

For reminders, please refer to Remind and my website.

If you have any questions, please email me or message me on Remind. Also, if my door is open and I'm in my classroom, come and talk to me. I'm here to help you.

Let's have a great year!
